

HOW AVI RILEY OF FOURWAYS DENTAL SURGERY HAS HELPED ELDERLY LOCALS

A dental surgery is bringing more to the local community than just family dentistry.

Caring For the Elderly in 2020

Visiting elderly patients' homes, saving them to travel to us.

'Being flexible has enabled us to look after our elderly patients further'

We wanted to give back for what the elderly have given us, therefore we send our clinicians and nurses to elderly patients' homes for routine dental check-ups and examinations.

We take extra special care of elderly patients that are living with cancer, whether they wish to have their appointment at home or in practice.
