

HOW AVI RILEY OF FOURWAYS DENTAL SURGERY MADE A DIFFERENCE TO GRANGE PARK SCHOOL

A dental surgery is bringing more to the local community than just family dentistry.

Avi Riley

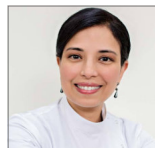

Grange Park School 2020

Autistic Spectrum Disorder (ASD) is a condition that can affect people on the spectrum with their social interaction, communication, interests and behaviour. This is uncontrollable, therefore it was an amazing opportunity and important to give these young adults a night that they will remember.

Making a difference to a local autism specialist secondary school in Wrotham.

'A movie theatre all to ourselves!!'

We were very proud to help Grange Park School enjoy a night at the cinema all to themselves. By covering the cost for each seat, pupils were able to watch a film in their own movie theatre!
